

UCDMC FAQ Sheet Summer 2022

When I try to join it says the club is full?

The Mountaineering Club is not full but we are not taking on new members over Summer.

When and where can I join?

We will be at the sports expo to take signups in person. This will be at the start of term in September. We will also open signups online close to the beginning of term.

Is the UCD wall open over Summer?

We are running training every Wednesday from 5-7pm. There is no teaching or testing on during this time so if you haven't passed a top rope test you will only be able to boulder. These training sessions will be similar to the Monday and Wednesday advanced sessions that ran during the year.

Are there any Sunday hikes over Summer?

No. Our first hike will be the freshers hike during freshers week.

Are there any trips over Summer?

No. We run many trips over the year but there are no club trips over Summer.
